Samsung, LG Settle DivX Patent Fights Over Smart TVs

Law360 **reported** that Mintz client American video codec company DivX, an early innovator in the digital streaming video and digital rights management scene, has reached confidential settlements with LG and Samsung, resolving international litigation claiming they infringe DivX's streaming patents with their smart televisions. The Mintz team representing DivX is led by Member and Chair of the firm's Intellectual Property Division Michael Renaud and Member Adam Rizk and includes Member and Chair of the firm's Intellectual Property Litigation Practice Matthew Hurley, Members Keith Carroll, Marguerite McConihe, Michael McNamara, Samuel Davenport, and Daniel Weinger, and Associates Matthew Karambelas, Jessica Perry, and Nana Liu.
