What's Important

Good Paying Jobs

We are committed to offering some of the best jobs in Chattanooga, Hamilton County and Tennessee.

- Our average Chattanooga employee makes over \$60,000 per year, outpacing the median household income in Chattanooga before accounting for an attractive benefits package and an 8% attendance bonus.
- Volkswagen recently announced an 11% raise for its employees as part of its annual end-of-year evaluation. Over the last 10 years, employee base wages have increased by 56%, well outpacing inflation over that period (31.7%).
- We are committed to giving our employees a voice at the company. And we are pleased that our employees enjoy working at Volkswagen. More than three quarters of our Chattanooga employees say Volkswagen is an attractive employer.

Attractive Benefits

We offer strong benefits to our Chattanooga employees.

- We cover 84% of our employees' health care costs so that employees on average pay less than \$2,000 per year in premiums and other out of pocket costs.
- We contribute 5% to our employees' 401(k) plans, plus we match 4% of what they contribute (up to 5% of their salary).
- Volkswagen invests in Chattanooga families with leading benefits including:

Invested Locally

We are deeply committed to the economic vitality of Chattanooga and the state, fostering community and promoting innovation.

- Since 2008, we have invested more than \$4.3 billion in our Chattanooga assembly plant, which has led to more than 125,000 direct and indirect jobs.
- The unemployment rate in Chattanooga when we broke ground in 2008 was more than 10%. As of Oct. 2023, it is only 3.5% - a testament to our commitment to job creation.
- Since 2010, Volkswagen has invested more than \$9.7 million into non-profit organizations that operate in Chattanooga and Hamilton County.
- In 2023 alone, we've given more than \$500,000 to non-profit organizations in and around Chattanooga. We are incredibly proud of our commitment to STEM education through our partnerships with Tennessee Valley Robotics, the Creative Discovery Museum and green | spaces. All are fostering the engineers and scientists of tomorrow who will help achieve our company's mission of mobility for generations to come.

Employee Amenities

- Near-site medical, dental, vision and rehabilitation services available through partnership with Erlanger
- Child care center adjacent to the plant

Education Programs

- Robotronics Program
- Automation Mechatronics Program
- Mechatronics Akademie High School Program

Environment

- Protected wetlands on site create natural animal and plant habitats.
- LED lighting used throughout the facility saves approximately 262,500 kilowatt-hours annually compared to florescent lighting.
- Approximately 12 million kilowatt-hours of energy is generated annually by 33,000 solar panels.
- The Volkswagen Chattanooga facility is committed to Environmental Protection and is ISO 14001 and 50001 certified. For details regarding our Environmental Policy, please click [here](#).

from all interested parties with a strong focus on our customers and stakeholders.

- We provide resources for leadership to monitor, react on and improve our operational processes.
