Subject: RE: iRhythm Technologies, Inc. v. Welch Allyn, Inc. (IPR2025-01081)

**** EXTERNAL EMAIL ****

Counsel:

In light of the Director's decision granting Welch Allyn's requests for discretionary denial and denial of institution in IPR2025-00363, -00374, -00376, -00377, and -00378, iRhythm's pending petition in this matter, IPR2025-01081 challenging U.S. Patent No. 8,630,699, should be withdrawn. The '699 Patent, like the '422, '492, and '484 Patents, is a child of the '007 Patent and presents the same fact pattern the Director has already found to warrant denial. Subjecting the parties and the Board to a repeat of this same exercise unnecessarily burdens both the parties and the Board.

Please confirm by June 19, 2025, that iRhythm will withdraw its petition in this proceeding. To the extent iRhythm declines to do so, Welch Allyn reserves all rights to seek appropriate relief.

Best regards,
Erik
