Subject: IPR2025-01114- Non-compliant PHV Notice of Intent (Verboncoeur)
Date: Tuesday, August 5, 2025 10:34:56 AM

Counsel,

Patent Owner's notice of intent to designate R. Mitch Verboncoeur as provisionally recognized PTAB attorney ("Notice") in IPR2025-01114 (Paper 7), accompanied by Ex. 2002, was received.

However, the Notice is non-compliant with the requirements set forth by the Board because it is not accompanied by certification from Mr. Verboncoeur. Ex. 2002, which the Notice refers to as a Declaration of R. Mitch Verboncoeur, is a duplicate of the Notice, not Mr. Verboncoeur's declaration.

In view of this defect, both the Notice (Paper 7) and Ex. 2002 will be expunged.

Patent Owner is hereby authorized to re-file its Notice and declaration in compliance with the Board's requirements. To cure the identified defect, Patent Owner should file a new Notice accompanied by a declaration from Mr. Verboncoeur as an exhibit.
