**STIPULATION AND [PROPOSED] ORDER TO STAY CASE
PENDING *INTER PARTES* REVIEW**

Analog Devices, Inc. (“Analog”)¹ and Xilinx, Inc. and Xilinx Asia Pacific Pte. Ltd. (collectively, “Xilinx” and, together with Analog, “the Parties”), by and through their respective counsel, submit this joint stipulation to stay the entirety of the case pending the resolution of the Parties’ pending *inter partes* review (“IPR”) petitions before the Patent Trial and Appeal Board (“PTAB”):

¹ To avoid a dispute with respect to the filing of this Stipulation, Xilinx has agreed to ADI’s insistence that it be referenced as “Analog”. Xilinx, however, reserves all rights that Analog Devices, Inc. be referenced by its name (Analog Devices or ADI) during proceedings, including trial. This is consistent with ADI’s filings with the Secretary of State, the Securities Exchange Commission, and its press releases to the public.

WHEREAS, the table below identifies Xilinx's IPR petitions challenging Analog's patents-in-suit:

WHEREAS, the Court issued an oral order on February 5, 2021, postponing indefinitely the two Markman hearings previously scheduled in this case in light of the Parties' pending IPR petitions.

WHEREAS, the Parties stipulate and agree, subject to the approval of the Court, that the entirety of this case should be stayed until the issuance of the PTAB's Final Written Decision on the last instituted of the IPRs identified above, which is anticipated no later than June 2022.

NOW, THEREFORE, IT IS HEREBY STIPULATED AND AGREED by and between the Parties, through their undersigned counsel and subject to the approval of the Court, as follows:

(1) the above-captioned action is stayed until the issuance of the PTAB's Final Written Decision on the last-instituted of the IPRs identified above; and

(2) if either party believes that the stay should continue after the PTAB's Final Written Decision on the last-instituted of the IPRs identified above, that party may file a motion with the Court to continue the stay within ten (10) days after the issuance of the PTAB's last Final Written Decision on the Parties' pending IPRs, and the other party may oppose.

(3) neither party will use the fact of the other party's agreement to this stay as an argument against the entry of any form of equitable relief, including a permanent injunction.
