Dear Board,

Petitioner Apple Inc. writes to request the filing of Corrected Oppositions to Patent Owner's Requests for Discretionary Denial in the above-referenced proceedings. It was brought to Petitioner's attention that the Oppositions inadvertently used single spacing in the footnotes and a single block quote. The corrected filings will not add any arguments. Patent Owner's counsel, cc'd here, has indicated that it does not oppose this request. Please let us know if the Board requires any additional information.

Best regards,
Mark
