Subject: RE: ASUS Sotera Stipulation

Mitch – yes, ASUS is honoring the stipulation it entered into, as reflected in Respondents’ Prehearing Brief which stated that ASUS is not pursuing the prior art-based invalidity grounds for the ‘714 patent.

Best,
Joe

Subject: ASUS Sotera Stipulation

[This email originated outside of F&R.]

Counsel for ASUS,

We understand the following from ASUS’s IPR counsel:

“ASUS is no longer pursuing in the co-pending litigation the specific grounds asserted in *inter partes* review in IPR2025-01153, or any other ground that could have been reasonably raised in IPR2025-01153 (i.e., any ground that could have been raised under §§ 102 or 103 on the basis of prior art patents or printed publications). ASUS also is no longer pursuing in the co-pending litigation combinations of the prior art asserted in IPR2025-01153 with unpublished system prior art (or any other type of prior art).

ASUS will make this clear in its Prehearing brief before the ITC. To the extent Nokia has concerns over the prior art grounds being advanced by ASUS in the ITC, ASUS suggests that Nokia’s ITC counsel reach out to ASUS’s ITC counsel.”

Please confirm that ASUS is dropping all §§ 102 or 103 invalidity grounds in the ITC and will not present any §§ 102 or 103 invalidity grounds at the upcoming evidentiary hearing, including, but not limited to:

1. Fujibayashi + Working Draft 4
2. Yeo + Working Draft 4
3. Nakamura + Working Draft 4
4. Rusert + Karczewicz ’721

Thank you.
