Hello,

The parties have reached agreement on most terms of a written settlement agreement and are diligently working to finalize a few remaining issues. Accordingly, the parties jointly request another two-week extension on the deadlines listed below so that they may finalize the agreement.

- Patent Owner's Preliminary Response (originally due October 10, currently extended to October 24)
- Petitioner's Opposition to the Request for Discretionary Denial (originally due October 10, currently extended to October 24)

Upon execution of a written settlement agreement, the parties would jointly seek to terminate the IPR per the terms of the agreement.

The parties are available for a teleconference if that would be helpful.

Regards,

John G. Bisbikis
