Subject: IPR2025-01178: Joint Request for Additional Extension

CAUTION: This email has originated from a source outside of USPTO. PLEASE CONSIDER THE SOURCE before responding, clicking on links, or opening attachments.

Dear Board,

The parties jointly request a third extension of the deadline to submit the opposition to patent owner's request for discretionary denial and patent owner's preliminary response to the petition, which is currently set for Friday, November 7. As previously communicated, the parties have reached an agreement to settle the current trial and underlying litigations. The agreement has been sent to the principals for execution. The parties jointly request a forty-five (45) day extension to allow for substantial performance under the settlement agreement, which is a pre-condition to the parties seeking to jointly terminate this trial and dismiss the underlying litigations. The parties request the deadline to submit the opposition to patent owner's request for discretionary denial and patent owner's preliminary response to the petition be reset to December 22, 2025.

The parties are available for a teleconference if the Board wishes to discuss.

Respectfully,

Thomas J. Campbell Jr.
