Honorable Board,

Patent Owner 1LSS, Inc. inadvertently filed its Patent Owner's Discretionary Denial Brief (Paper 8) using the previous (prior to September 1, 2025) brief limitation of 14,000 words rather than the current page limitation of 20 pages. As a result, Patent Owner requests leave to (1) expunge the originally filed brief and exhibits, (2) authorization to file a Corrected Discretionary Denial Brief limited to 20 pages along with the exhibits, and (3) permit Petitioner one month to file its responsive brief starting from the filing of the Corrected Discretionary Denial Brief. Patent Owner will not add any new arguments or evidence that were not previously included in its brief filed on October 7, 2025 (Paper 8).

Counsel for Petitioner is copied and stated that they do not oppose this request.

Should the Board desire a call to discuss this request, the parties will confer and offer times of availability.

Respectfully submitted,
Greg Cordrey
Lead Counsel for Patent Owner ILSS, Inc.
