Hi Greg,

It is clear from 1LSS's failure to serve infringement contentions that it does not intend to adhere to the schedule the parties submitted in the Rule 26(f) report (ECF No. 43). Therefore, the schedule the parties formerly agreed to is no longer applicable.

Sincerely,

Anna G. Phillips

Hi Greg,

To follow up, 1LSS's failure to serve infringement contentions in compliance with the parties' agreed upon schedule prejudices Apple's preparation of invalidity contentions. Apple will not serve invalidity contentions until 45 days after service of 1LSS's infringement contentions, if any.

Hi Greg,

1LSS did not serve infringement contentions on September 15, 2025, as outlined in the parties' agreed-upon schedule. Dkt. No. 43-1. Therefore, we understand it is not 1LSS's intent to follow the schedule the parties submitted to the Court.

Sincerely,
