Sorry for the typo. Just the privilege log, not other documents.

Hi Justin,

Attached is our letter responding to your August 18 letter, together with Petitioner's First Amended Privilege Log and Schedule A.

We have amended PL-001 and PL-002 to identify every recipient. The WeChat group had nine participants as of July 7, 2025:

- Qingqing Duan — ShutterLight, a defendant in ILND No. 1:24-cv-05218
- Tao Liu, Wei Wang, Xionghui Murong, Li Yang, Tianyu Ju — Glacier Law LLP
- Jun Wang — General Manager, Shenzhen Neewer Technology Co., Ltd.
- Ting Peng — Shenzhen Neewer Technology Co., Ltd.
- Jie Chang — representative of iphotoxx, a defendant in ILND No. 1:24-cv-05218

Mr. Wang created the group for communications concerning the ILND action in 2024, and it has served as the channel for that joint defense.

Best,

Ben and Wei,

A letter regarding the discovery violation uncovered during the deposition is attached. I look forward to receiving the documents or your response by this Friday. Hissan and I are available to meet and confer this week. Thanks.
