U.S. Patent No. 11,014,301

**DECLARATION OF BEN ROXBOROUGH
IN SUPPORT OF UNOPPOSED MOTION FOR
PRO HAC VICE ADMISSION UNDER 37 C.F.R. § 42.10(c)**

I, Ben Roxborough, upon oath, hereby attest to the following:

1. I am a member in good standing of the Bar of the State of Colorado.
2. I have not been suspended or disbarred from practice before any court or administrative body.
3. I have never had an application for admission to practice before any court or administrative body denied.
4. No sanctions or contempt citations have been imposed against me by any court or administrative body.
5. I have read and will comply with the Office Patent Trial Practice Guide and the Board's Rules of Practice for Trial set forth in part 42 of 37 C.F.R.
6. I will be subject to the USPTO Rules of Professional Conduct set forth in 37 C.F.R. §§ 11.101 *et seq.* and disciplinary jurisdiction under 37 C.F.R. § 11.19(a).
7. I have never appeared nor applied to appear before the Patent Office or the Board.
8. I was admitted to the Colorado Supreme Court on October 30, 2017. Prior to admission, I was a federal law clerk to four federal judges in the District of Colorado and the Western District of Wisconsin where I was involved in multiple patent matters—several of which went to trial.
9. Since completing my federal clerkships, I have continued to work on

patent matters in private practice, including second chair involvement in a successful bench trial. My experience also includes representing a wide range of clients in complex intellectual property matters in many different District Courts across the country and the International Trade Commission, including drafting briefs before the Court, including in connection with Markman hearings, performing invalidity and non-infringement analyses, overseeing all aspects of claim construction, drafting summary judgment motions, conducting discovery investigations, managing expert witnesses, taking and defending depositions, and trying cases for a bench trial.

10. Together with my clerkship and private practice experience, I am an experienced litigator with over 10 years of experience.

11. I have worked with lead counsel in most aspects of his participation in these proceedings. As such, I have extensive familiarity with the subject matter at issue in this proceeding (which is further supported by my undergraduate degree in chemistry). I am familiar with patent-at-issue in the above-captioned proceeding and the issues involved in this case. And I have reviewed all documents submitted as part of these proceedings.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on February 16, 2026, in Denver, Colorado.
