Your Honors,

Patent Owner has recently filed a statutory disclaimer of certain (but not all) challenged claims in the above-referenced proceeding. Patent Owner therefore respectfully requests authorization to file a copy of the statutory disclaimer of claims 2, 14, 25, and 27 as an exhibit so that it is part of the record. Petitioners do not oppose this request.

Patent Owner also respectfully requests authorization to file a 1-page paper to identify which claims have been disclaimed and how this impacts the arguments in Patent Owner's Preliminary Response. Petitioners oppose this request or, if it is authorized, request an opportunity to respond. Patent Owner does not oppose Petitioners' alternative request if Petitioners' response is similarly limited to 1 page.

Respectfully submitted,

Angelo Christopher
