PATENT ASSIGNMENT AGREEMENT

This Patent Assignment Agreement (this "Agreement") is made as of March 16, 2016 (the "Effective Date"), by and between West 74th Street, Series 75 of Allied Security Trust I, a Delaware statutory trust with an address at 555 California St, 12th Floor, San Francisco, California, 94104, U.S.A., Attn: Jake Handy, Fenwick & West LLP ("Assignor"), and Koninklijke Philips N.V., a Netherlands Corporation having a place of business at High Tech Campus 5, 5656 AE Eindhoven, The Netherlands ("Assignee") (hereinafter referred to collectively as the "Parties" and individually as a "Party"). The Parties hereto agree as follows:

1. **ASSIGNMENT.** Subject to the following, Assignor hereby assigns to Assignee all of Assignor's rights, title, and interest (including the right to recover for unsettled past, present and future infringement) in, to, and under the patents and patent applications set forth on Exhibit A hereto (the "Patents") to the full extent of its ownership or interest therein. Assignee acknowledges and agrees that Assignee's rights, title and interest to the Patents are subject to any patent license agreements, patent settlement agreements or other agreements relating to the Patents entered into prior to the Effective Date, and that Assignor reserves a right and license under the Patents (together with all reissues, results of reexamination, extensions, divisions, continuations, continuations in part and foreign counterparts that claim priority to any of the Patents, whether filed or prosecuted by Assignee or any successor-in-interest thereto) to the extent, if any, necessary to effectuate its obligations as licensor under any such agreements.

2. **COOPERATION.** The Parties agree to have executed and file with the United States Patent and Trademark Office the confirmatory assignment with respect to the Patents attached hereto as Exhibit B. Assignor shall take any reasonable actions, and will execute, deliver, and file such documents and instruments, in each case at Assignee's expense, as required in order to effectuate the assignment of the Patents as set forth in this Agreement.

3. **PAYMENT.** In consideration for the assignment of the Patents hereunder and other rights and benefits set forth herein and as full payment for the assignment of the Patents hereunder, Assignee shall pay to Assignor One Million Four Hundred Ninety Thousand Dollars (USD \$1,490,000).

4. **LIMITATION OF LIABILITY.** The parties acknowledge that the Patents are being assigned "AS IS" without representations or warranties of any kind. Assignor does not represent or warrant that the use of any technologies claimed by the Patents will be free from infringement of any other patent or intellectual property rights. ASSIGNOR MAKES NO REPRESENTATIONS OR WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, VALIDITY, ENFORCEABILITY, CLAIM CONSTRUCTION, NON-INFRINGEMENT, OR ANY WARRANTIES THAT MAY ARISE FROM COURSE OF PERFORMANCE, COURSE OF DEALING OR USAGE OF TRADE. TO THE EXTENT ALLOWED BY APPLICABLE LAW, AND NOTWITHSTANDING THE FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITATION OF LIABILITY OR LIMITED REMEDY, IN NO EVENT WILL ASSIGNOR BE LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, SPECIAL, INDIRECT, EXEMPLARY OR PUNITIVE DAMAGES, OR DAMAGES FOR ANY LOSS OF PROFITS, REVENUE OR BUSINESS, EVEN IF ASSIGNOR IS NOTIFIED IN ADVANCE OF THE POSSIBILITY OF SUCH DAMAGES. The Parties acknowledge that the limitation of liability set forth in this Section 4 and the allocation of risk that it implements is an essential element of the bargain agreed to by the Parties, without which the Parties would not have entered into this Agreement.

5. GENERAL.

5.1 **Governing Law.** This Agreement is to be construed in accordance with and governed by the internal laws of the State of Delaware and/or U.S. federal law, if applicable, without giving effect to any choice of law rule that would cause the application of the laws of any jurisdiction other than the internal laws of the State of Delaware and/or U.S. federal law, if applicable, to the rights and duties of the parties.

5.2 **Attorneys' Fees.** If either Party commences any action or proceeding against the other Party to enforce this Agreement or any of such Party's rights hereunder, the prevailing Party will be entitled to its reasonable expenses related to such action or proceeding, including reasonable attorneys' fees.

CONFIDENTIAL

5.3 No Waiver. No delay, failure or waiver by either Party to exercise any right or remedy under this Agreement, and no partial or single exercise of any such right or remedy, will operate to limit, preclude, cancel, waive, or otherwise affect such right or remedy, nor will any single or partial exercise of such right or remedy limit, preclude, impair, or waive any further exercise of such right or remedy or the exercise of any other right or remedy.

5.4 Severability. If any provision of this Agreement is determined to be invalid or unenforceable, the validity or enforceability of the other provisions or of this Agreement as a whole will not be affected; and, in such event, such provision will be changed and interpreted so as best to accomplish the objectives of such provision within the limits of applicable law or applicable court decision.

5.5 Entire Agreement. This Agreement serves to document formally the entire understanding between the Parties relating to the subject matter hereof, and supersedes and replaces any prior or contemporaneous agreements, negotiations, or understandings, whether oral or written, relating to the same subject matter. No amendment or modification of any provision of this Agreement will be effective unless in writing and signed by duly authorized signatories of both parties.

5.6 Miscellaneous. The Parties hereto shall not be considered as joint venturers, partners, employers or agents of one another, and shall not have the power to bind or obligate one another except as set forth in this Agreement. This Agreement may be executed in two (2) or more copies, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed by their duly authorized representatives.
