Dear Honorable Board,

The parties are still working to finalize the settlement agreement and are unable to file the agreement today. The agreement is unlikely to be finalized for at least two weeks due to Chinese New Year. BOE is a Chinese company, and the executives needed to approve the settlement are expected to be unavailable during that period. The parties expect that the settlement agreement will be finalized after the Chinese New Year, and that it should dispose of the IPRs.

IPR2025-01267

Ex. 3002

Respectfully submitted,
Jefferson Cummings

Jake Cummings

Counsel:

Per our email below of February 4, 2026, we requested that a settlement agreement be filed by the close of business on February 13, 2026. We have not received the settlement agreement.

Please advise us on your situation by noon eastern time today, February 17, 2026, and confirm whether or not paperwork will be filed today.

Regards,

Andrew Kellogg,
Deputy Chief Clerk, Trials
Patent Trial and Appeal Board
USPTO

Subject: RE: Subject: BOE v. Paneltouch IPRs (IPR2025-01245, -01246, -01267, -01482)

Counsel:

The Board declines to stay any deadlines at this time in IPR2025-01245 and IPR2025-01246. The first brief in these cases, Patent Owner's Response, is not due until April 10, 2026 (DUE DATE 1), per the Scheduling Order (Paper 16), and the parties may stipulate a different date for this deadline as well as for certain other subsequent briefing as explained in the Scheduling Order. As the parties know, the Board is under a statutory deadline to issue Final Written Decisions in these cases, and absent a request to terminate or other more certain circumstances, it is not prudent at this time for the Board to alter or suspend the due dates in these cases. As for IPR2025-01267 and IPR2025-01482, these are

preliminary proceedings before the Director.

Regards,

Andrew Kellogg,

Subject: RE: Subject: BOE v. Paneltouch IPRs (IPR2025-01245, -01246, -01267, -01482)

Counsel,

We understand that the parties are finalizing a settlement agreement. The final settlement agreement, however, must be filed with the Board by close of business on February 13, 2026. Otherwise, a decision will mail by the due date for an institution decision in each proceeding, as those deadlines cannot be extended.

Dear Honorable Board,

On January 13, 2026, a notice of settlement in principle was filed in the district court action concerning the same patents at issue in IPR2025-01245, -01246, -01267, -01482. The parties agree that the settlement in principle encompasses these proceedings and request that the Board should stay the deadlines while the settlement agreement is finalized.

Thank you for your understanding in this matter.

Respectfully submitted,
Jefferson Cummings
Counsel for Patent Owner
