Counsel,

Patent Owner's request for authorization to correct the record by adding Dr. Turk's CV to Exhibit 2017 is granted. Patent Owner should file a replacement Exhibit 2017 that includes the CV as an appendix.

RE: IPR2025-01312

To the Board,

Patent Owner Maxell, Ltd. filed their Patent Owner Response in IPR2025-01312 on May 12. During our post-filing review, we realized that we inadvertently filed EX2017 - Dr. Turk's declaration without the appendix including his CV. He references his CV in paragraph 5, on page 1 of his declaration. No portion of the CV is relied on in his declaration, and it has no impact on the content of his declaration nor his conclusions. Dr. Turk establishes his qualifications as an expert and POSITA in the declaration itself, the CV is merely referenced as a fuller record of his qualifications and past work.

We request approval from the Board to file Dr. Turk's CV as a second EX2017 in P-TACTS, marked EX2017A. Alternatively, we are able to re-file exhibit EX2017 with the appendix if the Board would like. Otherwise, we request the guidance of the Board as to how the Board would like this filed in the proceeding. A copy of the CV, marked in the manner proposed, is attached.

We have conferred with Petitioner and they indicated they do not oppose.

Best regards,
Scott M. Kelly
