03/16/2021		Minute Entry for proceedings held before District Judge Amos L. Mazzant, III: Telephone Conference held on 3/16/2021 at 12:05 p.m. Court addresses multiple issues regarding Defendants letter briefs. Court orally denies request for continuance [Dkt. #756]. In relation to the 3/2 McAlexanders testimony, the Court denies Defendants request. The Court already determined confidential information is not coextensive with the misappropriation claim. In relation to the 3/2 head-start damages, the Court denies Defendants request. The Court already ruled that the jury must determine which sales fall within the head-start period. In relation to 3/9 McAlexanders testimony, the Court will allow Plaintiff to supplement McAlexanders report by 12pm on 3/19. Defendant may then depose McAlexander for 1 hour at a mutually agreed upon time by the Parties. Defendant may then object at the PTC on 3/22. Defendant may then have until 3/26 to file any supplemental rebuttal report. As to the Ugone report, the Court will allow Defendant to depose Ugone at their own expense for up to 1 hour and provide Defendant supplemental report by 12pm on 3/19. Plaintiff may then object at the PTC on 3/22. As to the Joint Pretrial Order, the Court finds Plaintiffs contentions #2, 3, and 24 contradict prior Court rulings. Court denies Defendants request for a summary judgment on no causation between Defendants misappropriation and any Apple product sales. In relation to any witness and/or counsel that need to appear at the Final Pretrial Conference or trial via video, the Court will allow the filing of a motion requesting such appearance. Any further objections/issues will be addresses at the Final Pretrial Conference set for 3/22/2021. Call adjourned at 12:28 pm. (kkc) (Court Reporter Chris Bickham) (Entered: 03/16/2021)
