08/24/2016	329	MEMORANDUM OPINION. - Before the Court are issues relating to enhanced damages, issues regarding the Sony License Agreement, and the Courts rendering of final judgment. In view of evidence of Defendants conduct at the time of accused infringement and after reviewing the Read factors, the Court finds that enhancement is warranted. Enhancement is appropriate here to address Defendants willful infringement and conduct. Enhancement of damages by three times the jury verdict of \$6,970,380.50 would result in a total amount of \$20,911,141.50. The Court enhances damages to the maximum extent allowable under § 284 given the totality of the circumstances. The Court, therefore, exercises its discretion, given the nature and circumstances particular to this case, and concludes it is appropriate to enhance the damages by trebling the jury award.Signed by Judge Amos L. Mazzant, III on 8/24/2016. (baf,) (Entered: 08/24/2016)
08/24/2016	330	FINAL JUDGMENT - Pursuant to the Memorandum Opinion and Order entered on this date and in conformity with the jury verdict delivered on February 8, 2016, the Court enters judgment in favor of Plaintiff. 		relief as may bejust and proper. All pending motions are denied as moot.. Signed by Judge Amos L. Mazzant, III on 8/24/2016. (baf,) (Entered: 08/24/2016)
