Counsel,

Nokia intends to file a copycat petition of Ciena's IPR petition for the '320 patent owned by K.Mizra (Case No. IPR2025-01364). In addition, we plan on concurrently filing a motion for joinder IPR2025-01364 regarding the same. Nokia intends to act as an "understudy" and will not assume an active role unless Ciena ceases to participate.

Please let us know whether Ciena opposes Nokia's motion for joinder to IPR2025-01364.
