Case #: IPR2025-01374
Patent #:11,738,124
Filing Date Accorded: August 4, 2025
Parties: Terumo BCT, Inc. v. Haemonetics Corporation

Dear Trials,

I write on behalf of Petitioner, Terumo BCT, Inc. in IPR2025-01374. It has recently come to our attention that Exhibit 1005 in IPR2025-01374 was inadvertently filed with highlighting. We are writing to seek leave to replace the currently filed Exhibit 1005 with the attached replacement Exhibit 1005, which is a clean copy without the highlighting.

We have conferred with counsel for Patent Owner, Haemonetics Corporation, about this request, and counsel for Patent Owner does not oppose our request to replace the as-filed Exhibit 1005 with the attached replacement Exhibit 1005.

Please let us know if the current Exhibit 1005 can be expunged and replaced with the attached version. Additionally, please let us know if you have any questions or need additional information from us.

Best regards,

Kate Cappaert
Counsel for Petitioner
