The [Nike Lunaracer+ 3](#) has quietly been available in quite a few styles these past several months. The World Track & Field Championship editions certainly caught our eye but it's been nearly five months since we've seen those; what has this lightweight runner been up to in the interim? Here's a new 'Sprite'-like colorway that positions itself to be your ideal springtime training partner, an energetic blue mix of mesh and Dynamic Flywire contrasted by a bit of black and riding a neon yellow LunarLon sole. Have another look at them after the jump, then cop yours at stores like [Hanon](#).
