Honorable Director,

Petitioner CrowdStrike requests authorization to file a substitute/corrected opposition to Patent Owner's ("PO") Request for Discretionary Denial ("Request"; Paper 7) in the above-referenced proceeding and to expunge the original opposition (Paper 10). It was brought to Petitioner's attention that the Opposition inadvertently included a single word that had been redacted in PO's Request and that PO seeks to protect as confidential. Petitioner's corrected filing will remove this word and will be filed on the public record without redactions.

Patent Owner's counsel, cc'd here, has indicated that it does not oppose this request.

Please let us know if the Board requires any additional information.

Respectfully,

Paul Hart
