hey saddle hunters i've got a much

0:07

anticipated review

0:08

for you today we are going to be looking

0:11

at the

0:12

tethered phantom we'll start off with a

0:15

quick tabletop review and look at some

0:17

of the features

0:18

of it and then i'm going to take it out

0:20

put it in the tree and explain to you

0:22

how i

0:23

find best to run this saddle i think

0:25

you'll be thoroughly

0:26

impressed the more you learn about the

Tethrd Phantom Review: Sleek, Lightweight, & Comfortable

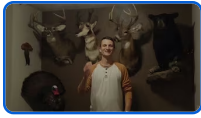

Sign in

2,594 views Sep 17, 2020

In this video I give an overview of the features of the Tethrd Phantom before demonstrating how I typically set it with it in a tree (6:06 mark). If you are looking for a lightweight and streamlined saddle that doesn't sacrifice comfort, then this is the saddle for you.
