Counsel,

The Board has reviewed Patent Owner's Requests for Adverse Judgment filed in these two cases on April 28, 2026. The Requests do not indicate whether Petitioner opposes the Requests, so Petitioner has until DUE DATE 2 in each case to respond to the respective Requests. If Petitioner does not intend to oppose one or both Requests, then Petitioner may so inform the Board via an email communication, at which time the Board will consider the merits of the unopposed Request(s).

Regards,

Andrew Kellogg,
