Counsel,

From the Board –

Patent Owner’s notice of intent to designate Richard H. Quarles as a provisionally recognized PTAB attorney as back-up counsel in IPR2025-01424 and IPR2025-01445 pursuant to 37 C.F.R. § 42.10(c)(2) is acknowledged.

Mr. Quarles will be provisionally admitted, but Mr. Quarles’s certification (Ex. 2001) in each proceeding fails to identify and attest to “All other proceedings before the Office for which the individual has applied to appear *pro hac vice* in the last three years” (Paper 3). Accordingly, Patent Owner must refile its certification including this missing information within 5 business days of this email.

We also note that although Mr. Quarles is included in the previously filed mandatory notices (Paper 4), 37 C.F.R. § 42.10(c)(2)(iii) provides that *pro hac vice* admission is effective upon filing an updated mandatory notice *after* the expiration of the objection time period (5 business days if no objection or 10 business days after an objection). After the applicable objection expiration date, Patent Owner may file updated mandatory notices under 37 C.F.R. § 42.10(c)(2)(iii).
