History

The history of Caterpillar is all about doing: creating, building, problem solving, innovating, testing, servicing and improving. Our equipment is iconic and so are the projects we've helped support.

EXPLORE OUR HISTORY

 Our Values in Action Caterpillar's Code of Conduct Integrity. Excellence. Teamwork. Commitment. Sustainability.

Our Values

We live Our Values in Action every day, defining not only what we do, but how we do it. Our Values go beyond compliance to create a work environment in which we take pride, making the world better not only through our solutions, but also through our actions.

ABOUT OUR VALUES

Corporate Responsibility

As a proactive community member, we take seriously our responsibility to give back to the communities in which we live and work.

The Caterpillar Foundation is focused on improving the lives of people around the world through investments in human and sustainable infrastructure. Together, Caterpillar and the Caterpillar Foundation are helping to build stronger individuals, stronger communities and stronger economies.

Since 1952, the Caterpillar Foundation has contributed more than \$975 million in communities around the world.
