To the Office of the Director:

Counsel of record have conferred and submit this email jointly.

The Petitioner in IPR2025-01454 has alleged the Discretionary Denial Brief filed by Patent Owner on October 29, 2025 exceeded the 20-page requirement by violating the formatting rules specified in 37 C.F.R. § 42.6(a) and that Patent Owner must file a corrected brief. While the Patent Owner does not agree, rather than bring a dispute regarding formatting to the Director, the Patent Owner has offered to file an amended replacement brief addressing the formatting issues raised by the Petitioner, with no substantive changes (other than edits to keep the brief at 20 pages). A copy of the proposed amended discretionary denial brief is attached. Please let us know whether Patent Owner has permission to file an amended replacement brief. Thank you.
