1. Rated **5** out of 5

Edward A. (*verified owner*) – June 26, 2018

These round tips are amazing. Paired with the O2 Vape DUO it's even better. Real quality piece. The first one I had, I thought got stuck on my DUO so I tried to use my teeth to unscrew it and the glass broke in my mouth. It was my own fault so I didn't try and contact O2. I noticed there was a little bit oil left after I got rid of all the glass. I was still able to hit the vape for at least another day. Amazing. I've ordered 2 more since and haven't had any problems. O2 vapes has great quality products.
