Clean Chemistry

Jul 2023 - Present · 2 yrs 5 mos

Modesto, California, United States · Remote

Clean Chemistry, a portfolio company of Black Bay Energy Capital, is a technology-forward organization focused on solving industry's water treatment and microbial control issues with cleaner, safer chemistry. PeroxyMAX™, Clean Chemistry's foundational oxidant technology, is currently being utilized in full-cycle water treatment solutions for the energy, pulp and paper, and cooling tower industries with near-term expansion plans into food and beverage and other industrial water treatment applications. In every industry served, Clean Chemistry strives to provide sustainable, customizable and smart solutions for difficult treatment problems.
