Counsel,

Patent Owner's unopposed request for leave to file a Corrected list of materials considered by Dr. Gorin as Exhibit 2190, and a new Corrected exhibit list to reflect the addition is granted. Upon receiving the corrected exhibit and exhibit list, the Board will expunge Exhibit 2157.

Your Honors,

It has come to Patent Owners' attention that Exhibit 2157 submitted last Monday, August 24, 2026, listing the materials that Dr. Gorin considered in connection with his Declaration (Exhibit 2138) contains errors. Patent Owners seek leave to file a Corrected Materials Considered list under a new exhibit number, Exhibit 2190, and a new Corrected Exhibit list to include this addition and all of the documents considered by Dr. Gorin.

The proposed Corrected Materials Considered List will not affect the substance or statements in Dr. Gorin's Declaration or Patent Owners' Response.

Patent Owners informed Petitioner on August 26, 2026, of the error. Petitioner informed Patent Owners today that it does not oppose Patent Owners' request to correct the exhibit list.

Patent Owners respectfully ask the Board for guidance regarding the appropriate procedure for submitting Exhibit 2190, the Corrected List of Documents Considered by Dr. Gorin, and an updated Patent Owners Exhibit List reflecting that exhibit. Specifically, should Patent Owners file an unopposed motion seeking entry of Exhibit 2190, or would it be appropriate simply to file the corrected exhibit and updated exhibit list?

Thank you for Your Honors' time and consideration.

Respectfully submitted,
Evan
