

Sarah Kate Wilson

skatewilson@comcast.net

+1-650-455-7076

Education

- Stanford University Electrical Engineering Ph.D. 1994
- Stanford University Electrical Engineering M.S. 1987
- Bryn Mawr College Mathematics A.B. 1979

Dissertation

Ph.D. Dissertation: “Digital Audio Broadcasting in a Fading and Dispersive Channel,” Advisor: Prof. John M. Cioffi

Academic Honors

1. IEEE Education Society Harriett B. Rigas award for “for excellence in communications engineering, education and promoting equity” 2018.
2. Co-chair of WCNC '17 winner of the 2018 IEEE iCon award for the best IEEE conference of 2017.
3. IEEE Communications Society Joseph LoCicero Award for Exemplary Service to Publications, “For sustained and innovative contributions to Publications”, 2017.
4. Outstanding Service Award from the IEEE Communications Women in Communications Engineering (WICE) Committee. December 2014.
5. IEEE Fellow, “for contributions to Orthogonal Frequency Division Multiplexing”, 2014.
6. David Packard Junior Fellow, Department of Electrical Engineering, Santa Clara University, Santa Clara, CA, September 2006 – August 2008.
7. Prize from the Royal Institute of Technology for promoting gender equity, December 2003. Organized a women-in-engineering program for the Signals, Sensors and Systems Institution at the Royal Institute of Technology, Sweden.
8. Ruth and Joel Spira teaching award from the Purdue School of Electrical and Computer Engineering for undergraduate and graduate teaching, 1996.
9. Stanford University Electrical Engineering Department Service Award for organizing the Wireless Data Workshop and for teaching Digital Communications, 1993.

Teaching and Professional Experience Academic Positions

1. Professor Emerita, Santa Clara University, September 2023-
2. Professor, Santa Clara University, September 2017 –2023
3. Acting Associate Dean for Undergraduate Engineering, Winter Quarter 2017, Winter-Spring Quarters 2019.
4. Visiting Associate Professor, ECE Department, Northeastern University, 2013-2014.
5. Associate Professor, Santa Clara University, September 2011-September 2017.

6. Assistant Professor, Santa Clara University, September 2006-August 2011.
7. Visiting Assistant Professor, Department of Electrical Engineering, Stanford University, Stanford, CA, March 2009-August 2009.
8. Guest Professor/Researcher, Division of Signal Processing, Royal Institute of Technology, Sweden, January 2003 –September 2004.
9. Assistant Professor/Associate Professor, Luleå University of Technology, May 1997-June 1999. Promoted to Associate Professor (Docent Degree from Luleå University of Technology) June 2000.
10. Assistant Professor, Purdue University January 1994-May 1997.
11. Guest researcher, Luleå University of Technology Luleå, Sweden, Fall 1994.
12. Research Assistant, Teaching Assistant and Teaching Fellow, Stanford University, September 1989- August 1994.

Industry Experience

1. Expert Witness for two IPRs for Sterne, Kessler, July 2022-December 2023 on behalf of Volkswagen (Petitioner). The patent owner is Neo Wireless, case numbers: IPR2022-01537 and IPR2022-01567.
2. Expert Witness in a Patent lawsuit for Fish and Richardson, October 2013- October 2014.
3. Prior art searching for a patent legal case for Fish and Richardson, October-December 2011.
4. Prior art searching for a patent legal case for Reed-Smith, April-May 2009.
5. Consultant, Texas Instruments, October 2005-August 2006.
6. Consultant, Cswitch Corporation, Santa Clara, CA, May, 2005-October 2005.
7. Prior Art Searching and analysis on behalf of twenty top-tier PC, Semiconductor and Retail OEM companies in preparation for defensive patent litigation; lead contact through Atheros Communications, Sunnyvale, CA, November, 2004 – January 2006.
8. Senior Protocol Manager, ArrayComm, Inc., May 2000 – June 2003.
9. Member of Technical Staff, Agilent Technologies, July 1999- May 2000.
10. Signal Processing Engineer, Nellcor, Inc., July 1987- June 1989.
11. Research Engineer, SRI International. January 1985- September 1986.
12. Programmer/Analyst, IIT Research Institute. June 1979- December 1984.

Academic Advising: Graduate and Undergraduate Ph.D. Students

1. Poongo Ponnavaikko, graduated June 2018, co-supervised with Prof. JoAnne Holliday and Prof. Milica Stojanovic. Project: Underwater acoustic wireless sensor networks.
2. Rickard Nilsson, graduated 2002, Luleå University of Technology, Thesis title: “Multicarrier Modulation: Duplexing Design and Interference/Distortion Mitigation”. Rickard was my Ph.D. student from 1997-2000. When I returned to California, Prof. James LeBlanc became his advisor.
3. Frank Sjöberg, graduated 2000, Luleå University of Technology, Thesis title: “The Zipper Duplex Method in Very High Speed Digital Subscriber Lines.”

4. Jan-Jaap van de Beek, graduated 1998, Luleå University of Technology, Thesis title: "Synchronization and Channel Estimation in OFDM Systems", co-supervised with Prof. Per-Ola Börjesson.
5. Ove Edfors, graduated 1997, Luleå University of Technology, Thesis title: "Low Complexity Algorithms in Digital Receivers", co-supervised with Prof. Per-Ola Börjesson.
6. Magnus Sandell, graduated 1997, Luleå University of Technology, Thesis title: "Design and Analysis of Receivers for Multicarrier Modulation and Ultrasonic Imaging", co-supervised with Prof. Per-Ola Börjesson.

25. Topics in OFDM", Notre Dame University, South Bend, Indiana, 1997.

Service to the University and the Profession

Santa Clara University Service

1. Faculty Advisor for UPWARDS U.N.I.T.E.S. a joint program between UPWARDS, Intel and Santa Clara to promote women in engineering, 2019-2022.
2. Co-led a Teaching for Diversity and Inclusion Workshop with Prof. Ahmed Amer at Santa Clara University, Spring 2019.
3. Faculty Senate Past-President (Term, July 2019-July 2020.)
4. Member of the University Coordinating Committee (UCC) July 2018-July 2019.
5. Faculty Senate President (Term, July 2018-July 2019).
6. Faculty Senate President Elect, (July 2017-June 2018).
7. Santa Clara University Diversity and Inclusion in Science and Engineering (DISE) committee member, 2017-Present.
8. Member of the University Budget Committee (June 2017-June 2018). (ex-officio as Faculty Senate Professor Elect.
9. Member of the University Planning Action Council (2015-2017)
10. Participant in Jesuit Conversations at Santa Clara (2014-2015).
11. ABET coordinator for the Department of Electrical Engineering (2014-2016)
12. Member of the School of Engineering Rank and Tenure Committee (2014-2016)
13. Advisor to the Society of Hispanic Professional Engineers, 2012-2013.
14. University Faculty Judicial Board, 2012-2013.
15. Small Group Instructional Response (SGIR) facilitator for faculty. 2011-2013.
16. School of Engineering Centennial Committee, 2010-2012.
17. Bannan Institute Steering Committee, 2009-2012.
18. Ignatian Faculty Forum, 2008-2011.
19. Society of Women Engineers (SWE) Faculty Advisor. (2006-2008) 15. One-step-ahead program: Worked with SWE volunteers for once-a-month Saturday programs to interest high school girls in Engineering. (2007-2008) 16. School of Engineering Computer Committee. (2006-2008)
20. Preview Day Tour Guide, annually.

21. SEEDS program, SES program and Sally Ride Festival: all programs designed to teach high school students about engineering. (2006-2007, 2016, 2017)
22. Faculty Senate Representative. (2006-2009)

Professional Service

1. Division III Director-Elect, 2025, for the IEEE Board of Directors.
2. Member of the IEEE Public Visibility Committee, 2025-Present.
3. Member of the IEEE Conference Organization Integrity Committee, 2023-Present.
4. Member of the IEEE Communications Society Nominations and Elections Committee, 2023-Present.
5. Secretary of the IEEE Systems Council, 2023-Present.
6. Member of the IEEE Communications History Committee, 2022-Present.
7. Member of the IEEE Society and Council Review Committee, 2020-Present.
8. Member of the IEEE Conference Committee, 2020-2021.
9. Co-chair (with Carmela Cozzo) of the Annual *IEEE VTC Diversity Workshop Series*, 2020-2023
10. Member of the IEEE Communications Society Awards Committee, 2019-Present.
11. External Reviewer for the Southern Methodist University department of Electrical Engineering, March 2019.
12. Member of the Ad Hoc IEEE Conference Open Access Committee, 2018-Present.
13. Member of the IEEE Conference Tools Committee, 2018-Present,
14. Member of the IEEE Conference Publications Committee, 2018-2019.
15. Member of the IEEE Communications Society Wireless Communications and Networks (WCNC) Steering Committee, 2018-Present.
16. Equity Champion for a Canada Excellence Research Chair review panel, Ottawa, September 15, 2017-2018.
17. Panelist for the first Launching Academics on the Tenure Track: an Intentional Community in Engineering (LATTICE) Symposium, Bainbridge Island, Washington, May 18-21, 2017.
18. Member of the Advisory Board for the NSF-funded project: Launching Academics on the Tenure Track: an Intentional Community in Engineering (LATTICE), 2016-2018.
19. Member of the IEEE Awards Board Nominations and Appointments Committee, 2016-2017.
20. Vice President of Publications for the IEEE Communications Society, term 2014-2015.
21. General Co-chair (with Andrea Goldsmith of Stanford University) of the IEEE Wireless Communications and Networking (WCNC) 2017, San Francisco.
22. Co-organizer of the Second Women's Workshop on Communications and Signal Processing held in Princeton, July 16-18, 2014.
23. Member of the IEEE Industrial Innovation Award Committee, 2014-2016.
24. Co-organizer of the First Women's Workshop on Communications and Signal

- Processing, Banff, Alberta, Canada, July 13-July 15, 2012.
25. Director of Journals, IEEE Communications Society, 2012-2013.
 26. Member of the IEEE Teaching Award Committee, 2011-2012. Chair of the Committee 2013-2014. Past Chair of the Committee 2015.
 27. Chair of the Women in Communications Engineering (WICE) committee for the IEEE Communications Society, 2011-2012.
 28. Chair of the IEEE Wireless Communications Letters Steering Committee 2011.
 29. Member of the IEEE Communications Society, ComSoc 2020 Committee.
 30. Elected to the IEEE Communications Society Board of Governors as a Member-at-Large; 2010-2012.
 31. Member of the IEEE Communications Society Board for On-line Content 2010-2012.
 32. Member of the IEEE Communications Society Awards Committee, 2010-2012.
 33. Editor-in-Chief of *IEEE Communications Letters*, January 2009-December 2011.
 34. Associate Editor for the *Journal of Communications and Networks*, 2007-2009, IEEE Transactions on Communications, 2003-2008, IEEE Communications Letters, 2003-2008, IEEE Transactions on Wireless Communications, 1998-2002
 35. Vice-chair for the Communication Theory Symposium, of the IEEE International conference: Globecom 2005.
 36. Founded and organized the women-in-engineering program at the Royal Institute of Technology, Stockholm, Sweden, 2003-2004.
 37. Program Committee Member for: VTC Fall 2002, Globecom 2002 and Globecom 2004 Communications Theory Symposium, ISSTA 2008, ICC 08 and 09, WCNC 2008 and 2009, and Globecom 2008 Wireless Communications, 2nd IEEE Optical Wireless Communications.
