| <p>1<br/>2<br/>3 Transcript of 2022 Brooklyn 6G Wireless Summit,<br/>4 Pioneer Award<br/>5<br/>6 Tom Wheeler<br/>7<br/>8 April 27, 2022<br/>9<br/>10 From ieeetv.ieee.org/channels/communications/<br/>11 pioneer-award-tom-wheeler-2022-b6gs-virtual<br/>12<br/>13<br/>14<br/>15<br/>16<br/>17<br/>18<br/>19<br/>20 Job No.: 604907<br/>21 Pages: 1 - 9<br/>22 Transcribed by: Esther M. Taylor</p> | <p>3<br/>1 P R O C E E D I N G S<br/>2 JOE MADDEN: Well, thank you,<br/>3 everyone, for a great panel.<br/>4 And -- and now I'd like to turn to a<br/>5 special part of our program. I'd like to bring<br/>6 Peter Vetter and Dr. Ted Rappaport up to the<br/>7 stage, and they have a special award to present.<br/>8 Peter? Ted?<br/>9 TED RAPPAPORT: Thank you, very much,<br/>10 Joe, and thank you for doing such a great job<br/>11 emceeding this second Brooklyn 6G Summit.<br/>12 It's a pleasure to be here with you,<br/>13 Peter, for this very special time in each of our<br/>14 summits to present an award -- a Pioneer's Award<br/>15 to someone very special; isn't it?<br/>16 PETER VETTER: Yeah, indeed. Also,<br/>17 this year, we're going to announce a -- a great<br/>18 award on behalf of Nokia Bell Labs. It's --<br/>19 it's -- it's really an honor to do this every<br/>20 year, the Brooklyn 6G Summit Pioneer Award.<br/>21 TED RAPPAPORT: Yeah. And, you know,<br/>22 we've had three amazing technology leaders who</p>                                              |
| <p>2<br/>1 P A R T I C I P A N T S<br/>2 Joe Madden, Mobile Experts, Inc.<br/>3 Ted Rappaport, NYU Wireless<br/>4 Peter Vetter, Nokia Bell Labs Core Research<br/>5 Tom Wheeler, Award Recipient<br/>6<br/>7<br/>8<br/>9<br/>10<br/>11<br/>12<br/>13<br/>14<br/>15<br/>16<br/>17<br/>18<br/>19<br/>20<br/>21<br/>22</p>                                                                              | <p>4<br/>1 have really changed the entire planet in the<br/>2 world of wireless -- our past three awardees.<br/>3 But this year's award winner, Tom Wheeler, is<br/>4 really a visionary and someone who has had a<br/>5 hand in public policy that has made not just 5G<br/>6 and wireless happen, but played a huge role in<br/>7 the cable industry and the very early days of<br/>8 the cellular industry.<br/>9 Tom and I are going to have a<br/>10 wonderful fireside chat in just a minute. But,<br/>11 right now, Peter, why don't you present this<br/>12 Brooklyn 6G Summit Pioneer Award to a true<br/>13 pioneer, Tom Wheeler.<br/>14 PETER VETTER: Thanks, Ted. So as<br/>15 you already said, it's a very prestigious award.<br/>16 Only three. We started to -- to do this back in<br/>17 2018 in -- at the Brooklyn Summit with Marty<br/>18 Cooper, then we had Irwin Jacobs, and then last<br/>19 year Professor Paulraj.<br/>20 So Tom Wheeler is now joining this<br/>21 very selective crowd for impact for work in the<br/>22 telecommunications industry for the past four</p> |

|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>5</p> <p>1 decades.</p> <p>2 Very befitting to the Brooklyn Summit</p> <p>3 and to NYU, I want to highlight his work at the</p> <p>4 FCC to open up the spectrum for cellular</p> <p>5 electrodes above the 24 GHz range. That is</p> <p>6 really an important milestone for the 5G era.</p> <p>7 This is the first time in the industry that</p> <p>8 millimeter wave spectrum could be used for</p> <p>9 access.</p> <p>10 But he's also an important</p> <p>11 entrepreneur. He helped start up many</p> <p>12 companies, started his own companies many times</p> <p>13 in cable, in wireless, in video communications.</p> <p>14 And he's actually -- interesting to know -- the</p> <p>15 only person that has been inducted both in the</p> <p>16 Cable Television Hall of Fame and in the</p> <p>17 Wireless Hall of Fame, something that President</p> <p>18 Obama joked about when he said: He's the Bo</p> <p>19 Jackson of the telecom industry.</p> <p>20 And I don't know what President Obama</p> <p>21 would say about now adding the Brooklyn Pioneer</p> <p>22 Award, but I can say on behalf of all my</p>              | <p>7</p> <p>1 really led the way to 5G back in 2014 when Nokia</p> <p>2 and NYU teamed up. It's wonderful to have the</p> <p>3 FCC commissioner who, at that time, allowed the</p> <p>4 entire industry to finally move out of the</p> <p>5 basement, below 2 GHz and 3 GHz, and move up to</p> <p>6 the millimeter wave.</p> <p>7 Tom, thank you so much for being here</p> <p>8 and for accepting the Brooklyn 6G Summit Pioneer</p> <p>9 Award. Congratulations.</p> <p>10 TOM WHEELER: Thank you, Ted.</p> <p>11 And, you know, if we have a correct</p> <p>12 record here, Ted, we should make sure that when</p> <p>13 -- when we did the millimeter wave proceeding,</p> <p>14 we should make sure that this record shows that</p> <p>15 in the specific citations of that order, we</p> <p>16 referenced your work on why this was possible.</p> <p>17 So to receive this award from the father of</p> <p>18 millimeter wave is itself terrific.</p> <p>19 TED RAPPAPORT: Thank you.</p> <p>20 Peter, final last words?</p> <p>21 PETER VETTER: Again, well-deserved.</p> <p>22 The importance of -- of the milestone and for</p> |
| <p>6</p> <p>1 colleagues at Nokia and Bell Labs, a -- a warm</p> <p>2 congratulations with this award, Tom Wheeler.</p> <p>3 TED RAPPAPORT: Congratulations, Tom.</p> <p>4 Well-deserved, and thank you for being this</p> <p>5 year's Brooklyn 6G Summit Pioneer Award winner.</p> <p>6 TOM WHEELER: Well, Peter and Ted,</p> <p>7 thank you very much. I mean, what a great</p> <p>8 honor. And, I mean, my goodness, to be</p> <p>9 mentioned in the same breath with Marty and</p> <p>10 Irwin and -- and Paul is -- is a huge honor in</p> <p>11 and of itself. But to be recognized by leaders</p> <p>12 like you and the job that you've been doing at</p> <p>13 the Brooklyn 6G Summit is -- is a great honor,</p> <p>14 and I'm -- I appreciate it very much.</p> <p>15 And, Ted, I look forward to -- to our</p> <p>16 visit in a few minutes.</p> <p>17 TED RAPPAPORT: Yes. Thank you very</p> <p>18 much.</p> <p>19 Peter, we'll be sending Tom his very</p> <p>20 special customized Brooklyn 6G Summit Award via</p> <p>21 Express Mail in a few days. But it's really</p> <p>22 wonderful, I think, for this Summit, which</p> | <p>8</p> <p>1 all the work, Tom Wheeler, that you have done</p> <p>2 for the industry, thank you and congratulations</p> <p>3 again.</p> <p>4 (The recording was concluded.)</p> <p>5</p> <p>6</p> <p>7</p> <p>8</p> <p>9</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
