CAUTION - EXTERNAL:

Dear [REDACTED],

In advance of the claim construction hearing scheduled for tomorrow, the parties would like to inform the Court that Kurin has agreed to Magnolia's proposed construction for "housing that defines" (i.e., to be construed as "a casing that fixes or marks the limits of"). This resolves the remaining claim construction dispute in Kurin's '052 patent.

If you would like us to notify the Court more formally, we are happy to do so but wanted to advise the Court as soon as possible.

Respectfully,
Kelly
