Kyle,

Thank you.

Please note that other companies have begun negotiations with us concerning licensing or purchasing the patent after their own IP counsels' appraisal of patent scope and validity.

Please let me know if I can provide any additional information including my IP attorney's contact information should you wish to negotiate your own license.

Very respectfully,
Fred Perkins

Thank you Kyle.

If your counsel has questions I would be happy to put them in touch with my IP attorney as I have with others.
