Your Honors:

This firm represents Patent Owner. Further to the email below, the trial set for February 16, 2027, in Marshall, Texas is likely to run for five business days, i.e., through February 22. Given the realities of travel from Marshall to the DC area, Patent Owner respectfully requests that if the hearing is reset to a date after February 16, it be held on February 24, 2027, or later.

Respectfully submitted,
Peter Lambrianakos

Your Honors,

Petitioner respectfully requests a conference with the Board regarding rescheduling and consolidating the oral hearings in the above-referenced proceedings. Petitioner seeks to discuss rescheduling and consolidating these hearings because Petitioner's lead counsel currently has a trial scheduled to start on February 1, 2027.

The currently scheduled hearing dates are as follows:

- IPR2026-00145 ('710 patent): January 28, 2027
- IPR2026-00146 ('706 patent): February 3, 2027
- IPR2026-00147 ('174 patent): February 3, 2027
- IPR2026-00148 ('590 patent): February 16, 2027

Petitioner's counsel met and conferred with Patent Owner's counsel. Patent Owner's counsel indicated that they have a trial on February 16, 2027. Given that the '590 hearing is set for February 16, 2027 and the trial schedules of counsel, Petitioner requests that the four hearings be consolidated into a single hearing after February 16, 2027.

Patent Owner's counsel has been copied on this email.
