Subject: IPR2026-00157 Motion to Terminate

CAUTION: This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

Dear Honorable Board,

I am counsel for Patent Owner in the above proceedings. In view of the district court's decision in parallel litigation invalidating all claims at issue in IPR2026-00157, the parties have agreed to move to terminate the IPR. The parties respectfully request the Board permit the parties to file a joint motion to terminate.

The parties appreciate your time and attention to this request.

Respectfully submitted,

Todd Briggs
