Honorable Board,

Pursuant to the Scheduling Order, Patent Owner respectfully requests a conference call with the Board to discuss and request authorization for a proposed motion for additional word count for its patent owner response.

The parties have met and conferred regarding Patent Owner's intention to request authorization to file a motion for additional word count. Patent Owner requested Petitioner counsel's availability for the conference call and Petitioner's position regarding the anticipated motion. Petitioner's counsel indicated it had to confer with its client.

Patent Owner is available for the conference call any time on July 2nd, or July 6-10.

Please let us know whether any of those dates are convenient for the Board or whether the Board would prefer alternative dates.

Respectfully,

Eric A. Zelepugas
