CAUTION: This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

Dear Director Squires,

It has come to Petitioner's attention that the Declaration of Mark Lanning (Ex-1003) was inadvertently filed without attaching Appendix A, which includes a list of materials

considered. Petitioner requests authorization to file a corrected version of Ex-1003 that attaches Appendix A. The materials listed in Appendix A consist solely of references that have been cited throughout the declaration. There are no other proposed changes to the corrected version of Ex-1003.

Counsel for Patent Owner has indicated that it does not oppose this request.

Respectfully,

Christopher Marando
PARTNER
