CAUTION: This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

Petitioner filed the IPR referenced above on January 7, 2026. After filing, Petitioner recognized that the patent at issue includes a Certificate of Correction, which corrects two lines in the language of claim 11. Petitioner seeks permission to file a Corrected

Petition and an updated Expert Declaration (Ex.1003) to address the updated claim language in the Certificate of Correction. Petitioner is comfortably within the bar date and Patent Owner currently has not made an appearance. Please let us know if we are approved to make this corrected filing and please confirm that after such filing the original Petition and Expert Declaration will be expunged.

Thank you,
