Patent 11,058,757

**DECLARATION OF SARAH E. SPIRES IN SUPPORT OF
PATENT OWNER'S SUPPLEMENTAL EVIDENCE**

I, Sarah E. Spires, declare as follows:

1. My name is Sarah E. Spires. I am a Partner with the law firm of Skiermont Derby LLP, who represents Pogona, LLC, the Patent Owner in this proceeding. I am a registered patent attorney and lead counsel in this proceeding. It is by virtue of that position and my own involvement in these events that I have personal knowledge of the matters set forth below.

2. Exhibit 2024 is a true and correct copy of the Supporting Information published with Exhibit 2023 (“Serotype-specific Changes in Invasive Pneumococcal Disease after Pneumococcal Conjugate Vaccine Introduction: A Pooled Analysis of Multiple Surveillance Sites”), and available at <https://journals.plos.org/plosmedicine/article?id=10.1371/journal.pmed.1001517#s5> (last accessed August 20, 2026).

3. Exhibit 2048 is a true and correct copy of Chapter 17, article 104 from the textbook Introductory Chemistry, 1st Canadian Edition, and is entitled “Factors that Affect the Rate of Reactions” by Jessie A. Key, available at <https://opentextbc.ca/introductorychemistryclone/chapter/factors-that-affect-the-rate-of-reactions/> (last accessed August 20, 2026). The textbook was published in September of 2014, is by David W. Ball and Jessie A. Key, and is available at <https://opentextbc.ca/introductorychemistryclone/> (last accessed August 20, 2026).

4. Exhibit 2049 is a true and correct copy of a February 22, 2016 blog post to “CHEMICAL ADDA All chemical engineering notes” entitled “Classification of variables in chemical process control,” available at <https://chemicalada.blogspot.com/2016/02/classification-of-variables-in-chemical.html> (last accessed August 20, 2026).

Under penalty of perjury, I declare the above statements as true and accurate to the best of my recollection. I further state that these statements are made with the knowledge that will false statements and the like are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the U.S. Code.

Executed this 20th day of August, 2026.
