Dear Director Squires,

Petitioner seeks to withdraw its Request for Director Review (Paper 15), filed on July 1, 2026 in the above-referenced IPR. Because Petitioner seeks to withdraw that Request, Patent Owner does not plan to file a response to it (EX3100) except, if the Office does not acknowledge the withdrawal prior to the response deadline, Patent Owner will file a short paper opposing the Director Review request and pointing back to Petitioner's request to withdraw it.

If the Director wishes to have a conference call to discuss, the parties can confer and provide dates and times of mutual availability.

Best regards,

IPR2026-00192
