

DECLARATION OF SIVA CHATURVEDI

I, Siva Chaturvedi, hereby declare as follows:

1. I submit this declaration based on my personal knowledge.
2. I am the Chief Executive Officer of Damaka, Inc. ("Damaka"), and have held that position since December 2004. Damaka is a Texas corporation with its principal place of business in Texas.
3. Damaka creates and sells collaboration software products in the United States.
4. Damaka's website is located at the following URL:
<https://damaka.com/damaka/>
5. Damaka offers for sale in the United States Collaboration Software Development Kits (SDK's), as well as the following products: Nirvana (a meeting platform for video and collaboration); Moca (a fully encrypted UCC solution); Triton (a carrier and enterprise grade collaboration platform using WebRTC technology and SIP); and Vcare (a healthcare platform using WebRTC technology).
6. Damaka's products were designed and architected in the United States.
7. Damaka's products were developed and programmed in the United States, including the core code and functionality for each product. While the core

programming work was performed in the United States, Damaka does have a wholly-owned subsidiary based in India which performed some ancillary programming work, such as adding features to the core products.

8. Damaka's products covered by the patents at issue in the current litigation directly compete with Cisco's WebEx product in terms of providing collaboration and communication functionality to customers.

I declare that the foregoing is true and correct.

Siva Chaturvedi
