JINKO IN THE U.S.

Jinko (NYSE: JKS) is a leading solar panel manufacturer and energy storage system integrator. The company is the first to deploy 200GW in 160 countries globally, including more than 28 GW in the U.S. and Canada. EAGLE® Storage brings together the best energy storage technology for turnkey hardware and energy storage services. Publicly vetted by trusted industry third party laboratories and top financial institutions, EAGLE® is a trusted choice for U.S. solar and storage projects. As a global leader with strong regional focus, Jinko has had a strong presence in the U.S. solar industry for over 10 years. With offices in Silicon Valley and Jacksonville, Florida, Jinko remains committed to providing customers with timely, local service.

JINKO ARRIVES IN JACKSONVILLE, FL

In 2018, we launched one of the world's most advanced, fully automated module assembly facilities in Jacksonville, Florida to help meet U.S. demand. Locating our first factory in the United States puts us even closer to our key U.S. customers, allowing us to provide better, more efficient local service.

Over 700 American workers are manufacturing and delivering a full lineup of our latest modules. Every Jinko team member indirectly accounts for an additional 3 employees, which means Jinko contributes approximately 1,000 jobs into Jacksonville.

COMMUNITY

ST. JOHNS HOUSING PARTNERSHIP

Patriot Place is a supportive housing program for veterans experiencing homelessness. As an active member of the Florida community, we were motivated to donate a 21.87kW solar system for St. Johns main office and Patriot place, a six unit veterans apartment complex.

SULZBACHER CENTER

A 50kW solar system was donated to Sulzbacher Village affordable housing complex. Sulzbacher Village provides shelter and healthy meals for its residents and connects over 7,000 individuals to medical services each year.

CATHOLIC CHARITIES BUREAU

We supplied Catholic Charities' ESOL (English as an Other Language program with 70 Chromebooks, and provided internet access to students for up to 1 year. This donation will support families who do not have the financial resources to purchase their own devices or access internet, which is essential for attending remote learning classes during this COVID-19 era.

GROUNDWORK JACKSONVILLE EARTH DAY

We sponsored GroundWork Jacksonville's Earth Day, a free community event hosted by GroundWork Jacksonville's Green Team Youth Corps. Guests received a passport to participate in various eco-friendly activity stations which earned them a free lunch sponsored by Jinko.

JACKSONVILLE CAREERS

Jinko Jacksonville is a state-of-the-art manufacturing facility with over 300 job opportunities, including production, technician, engineering, accounting, HR, purchasing, warehouse, and many more.
