Case No.: IPR2026-00235

Dear Honorable Director,

Petitioner X Corp. respectfully requests authorization to file, as an exhibit, the super-*Sotera* stipulation made in connection with the above-captioned proceeding.

More specifically, on March 20, 2026, Petitioner served a notice letter on Record Owner Search and Share, stating that X agrees to be bound by the Super-*Sotera* stipulation in the District Court litigation related to the above-captioned IPR proceeding. Petitioner respectfully requests authorization to file this notice letter as an exhibit in the above-captioned IPR proceeding.

Record Owner Search and Share has not yet made appearance in this proceeding. But Search and Share's litigation counsel in the parallel litigation (CC'ed) noted that "Search and Share does not oppose the request." Should the Board require a conference call, X Corp. is available at the Board's convenience.

Thank you,
Taeg Sang Cho
Counsel for Petitioner X Corp.
