GLOBAL DATA CENTER FLEET

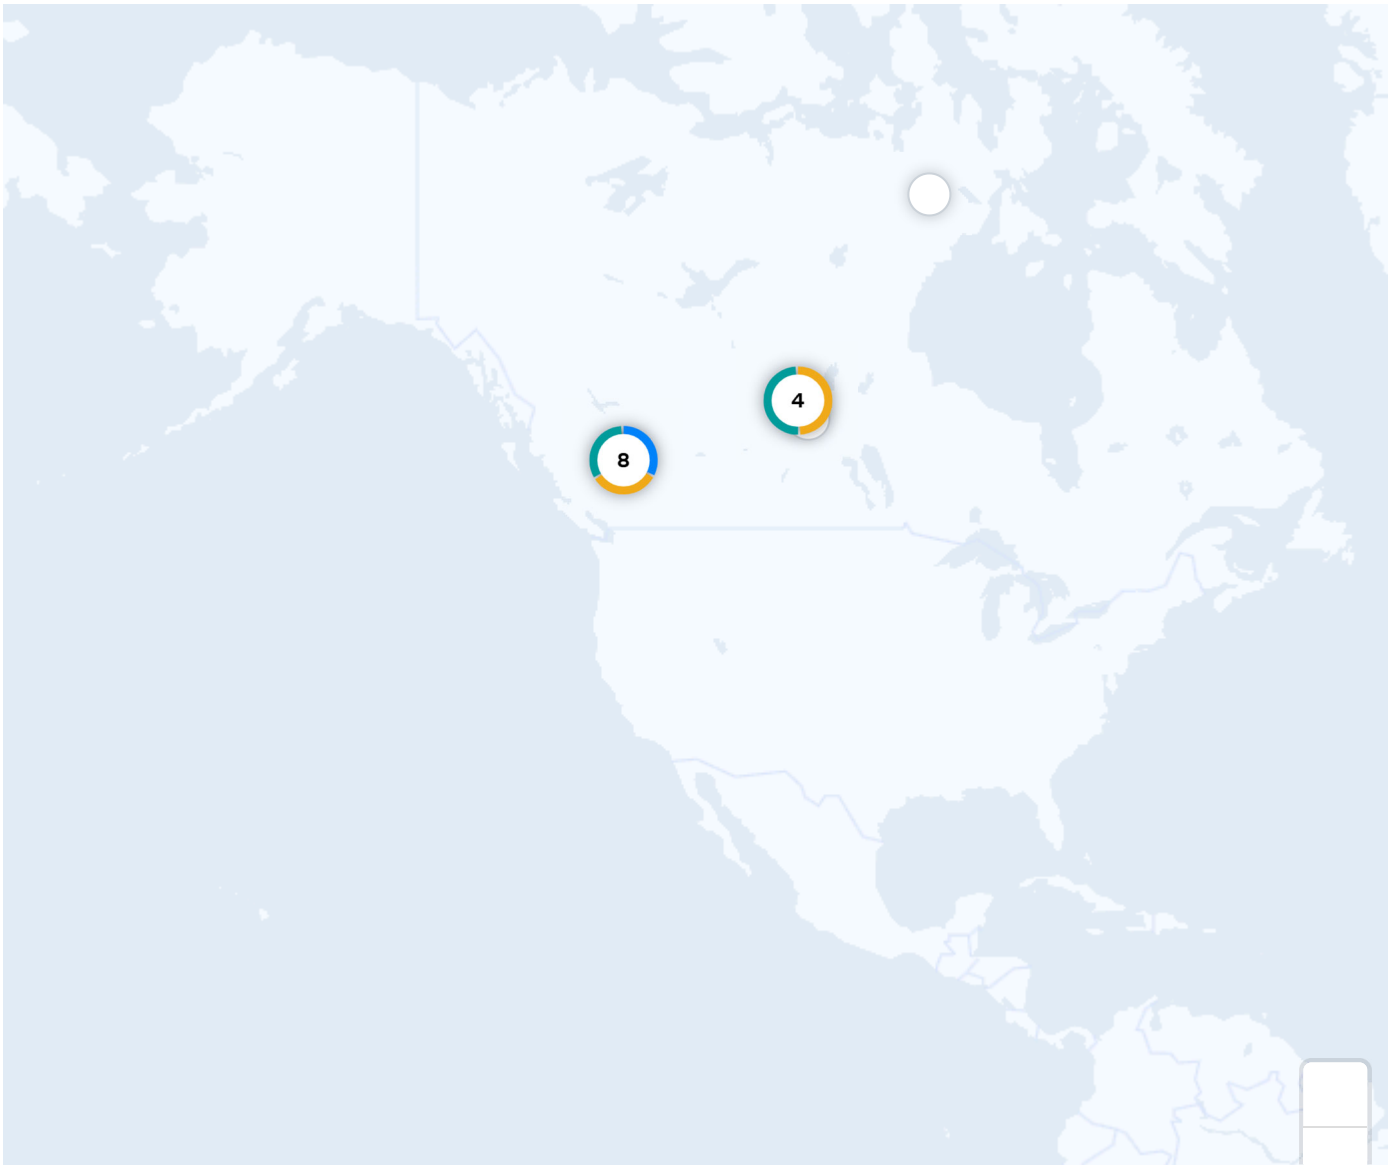

Connection starts with community

We're committed to being good neighbors and community partners in the communities where we have data centers.

Explore our data center infrastructure

Explore our data center locations, our clean and renewable energy projects, and our water stewardship efforts in the communities we operate in.

Our global data center fleet

Meta data centers are part of the global infrastructure that brings our technologies and programs to life, making the future of human connection possible. Meta is proud that our data centers are among the most innovative and efficient in the world. Learn more about the places and partners that help make our connections possible.
