Subject: IPR2026-00251 - authorization for a motion to terminate pursuant to a settlement agreement

CAUTION: This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

Dear Honorable Board,

The Parties have entered into a Settlement Agreement on April 24, 2026 and jointly request authorization to file: (1) a motion to terminate in IPR2026-00251 pursuant to a settlement agreement, and (2) a request to treat as business confidential information a copy of the settlement agreement to be filed with the motion to terminate in IPR2026-00251.

The Parties also note that Petitioner's deadline to file an opposition to Patent Owner's request for discretionary denial is due on May 25, 2026; and Patent Owner's deadline to file a preliminary response is also due on May 25, 2026. See IPR2026-00251, Paper 3. The Parties respectfully request authorization to hold these upcoming deadlines in abeyance as the Board considers the Parties' request for termination.

If needed, the Parties are available for a conference call.

Jointly submitted by Petitioner and Patent Owner
