Honorable Director,

Petitioner Dolby Laboratories, Inc. seeks authorization to file a one-page Reply to Patent Owner's Preliminary Response in IPR2026-00252. The parties have conferred, and Patent Owner InterDigital does not oppose Petitioner's request.

Petitioner's proposed Reply is intended to identify relevant portions of Petitioner's non-merits briefing that reflect Petitioner's positions on certain issues raised in the POPR. Petitioner submits this request to assist the Director's evaluation of the merits briefing in view of other briefing already of record.

Respectfully,

Ryan Chowdhury
Counsel for Petitioner Dolby Laboratories, Inc.

Ryan Chowdhury
