To the Board:

Patent Owner respectfully requests permission to file a short 3-page Reply to Petitioner's Opposition on Discretionary Denial, filed on May 26, within 3 business days following the Board's granting of permission.

The parties have conferred and Petitioner does not oppose this request provided it receives a commensurate sur-reply to any Patent Owner reply. Patent Owner consents to Petitioner filing a sur-reply of the same length to Patent Owner's reply, to be due 5 business days following Patent Owner's reply.

If the Board wishes to conduct a conference call regarding this request, the Parties will provide available times/dates for a call at the Board's instructions.

Respectfully,
