Counsel,

The parties are authorized to file a Joint Motion to Terminate (as a Paper), and a Joint Request to File Settlement Agreement as Business Confidential Information Pursuant to 35 U.S.C. § 317(b) (as a separate Paper). The Joint Motion and Joint Request shall be filed no later than February 9, 2026.

The Joint Motion to Terminate should reference this authorization. The Joint Motion to Terminate also must update the Board concerning the status of any litigation or proceeding, including, but not limited to, proceedings in the U.S. Patent and Trademark Office, involving the subject patent, and advise the Board whether any litigation or proceeding involving the subject patent is contemplated in the foreseeable future. The Joint Motion to Terminate must include a true copy of any agreement or understanding (as an Exhibit to the Motion) and include a statement certifying that there are no collateral agreements or understandings made in connection with, or in contemplation of, the termination of the inter partes review. See 35 U.S.C. § 317(b); 37 C.F.R. § 42.74(b).

Any Joint Request to File Settlement Agreement as Business Confidential Information must be filed with the Joint Motion to Terminate. See 35 U.S.C. § 317(b); 37 C.F.R. § 42.74(c).

Additionally, we will extend the hearing date in this proceeding from February 3, 2026, to February 17, 2026. If this proceeding is not terminated prior to February 17, 2026, we will proceed with an in-person hearing on that date. No further extensions will be granted.

Dear Honorable Board,

The parties respectfully jointly request a further two-week continuance of the oral argument in IPR2025-00180 in light of the fact that the parties have executed a settlement agreement and are awaiting authorization from the Board to file a motion to terminate this proceeding.

On January 23, 2026, the parties informed the Board that they had reached a settlement, anticipated signing the settlement agreement in the following week, and requested a continuance of the oral argument on that basis. The Board granted a one-week continuance of the oral argument from January 27 to February 3, stating that “[i]f this proceeding has not been terminated by [February 3], we will proceed with an in-person hearing.”

The parties have since executed their settlement agreement and, on January 30, 2026, emailed

the Board seeking authorization to file a motion to terminate. Given the current schedule, it appears unlikely that the Board will have ruled on the parties' anticipated motion to terminate by the February 3, 2026 hearing date. In addition, it would be impracticable for Patent Owner's counsel to travel from Los Angeles to Washington, D.C. in time for an in-person hearing on February 3 following any Board response issued on February 2.

Accordingly, the parties respectfully request a further two-week continuance of the oral argument to allow the Board adequate time to consider the parties' forthcoming motion to terminate.

Respectfully submitted,

--
